

Parish Council Minutes
February 11, 2015

Attending: Fr. Tim Kozak, Ray Johnson, John Anderson, Marie Johnson & Cecelia Lisle

John Anderson called the meeting to order. Fr. Tim read from Scripture and after spending some time reflecting on the reading the meeting continued. Once the previous minutes had been read by all in attendance, a motion was made by Marie Johnson, and seconded by Ray Johnson, to accept them as written.

Committee Reports:

Building and Maintenance

- Fr. Tim reported that a telecoil system had been ordered. But it had been 3 weeks and nothing had been received. Fr. canceled this order and will find someone else when he is sure this order has been canceled.

Liturgy:

- Ash Wednesday is February 18th, with Mass at 7:00pm.
- Penance services for Lent are still waiting to be scheduled.
- Stations of the Cross will be each Friday of Lent at 7:00pm. Discussion was held on what books we are using for the Stations and it was decided by all to use the same ones as last year.
- The March for Life trip was attended by 15 adults from the parish and 7 CCD students. The weather was much better than last year. There were 500,000 in attendance.

Religious Education:

- The copier in the Activity Building has been removed.

Finance:

- The initial DPSC letters have been sent out.
- Fr. stated that he would like to save money each month for the Diocesan liability insurance. This way the parish will be prepared when the bill comes due. All members were in agreement.

Social:

- The Parish Mardi Gras is scheduled for Sunday, the 22nd of February.

Old Business

- The parish directory is being worked on.

New Business:

- Ray Johnson made a suggestion that we provide each of the CCD students with bibles. It was noted that there were several in two of the classrooms. Fr. stated that he had pocket bibles and Ray should look at these. This was tabled until the next meeting.

The next Parish Council Meeting is Wednesday, March 11th and the meeting for the Executive Committee is Thursday, March 5th.
