Committee Reports:

- The Knights requested that the Parish Council allow them to place their KofC sign on the right side at the top of the steps leading to the Activity Building. Discussion was held with all members in agreement on this issue.
- Two Council members received recommendations from parishioners to consider using Evans Landscaping of Racine for snow removal.
- The refrigerator in the Activity Building has not been removed yet.
- The Activity Building is being prepared for the start of classes. The rooms look much neater since extra furniture has been moved to storage.
