Our Parish Family
Growing Together In Faith!

Welcome

Welcome to Sacred Heart's 2014–2015 CCD Program! We hope you and your family have had a wonderful summer. Sacred Heart's Religious Education program is proud to offer faith formation classes to the youth of our parish and we look forward to working together with you and your child as a family united in Christ to strengthen our faith.

Thank you for entrusting us to be the educators in the formation of your child's Christian Faith. It is a privilege for us to share in the challenge and joy of this process here at Sacred Heart. We appreciate your support and enthusiasm as we learn and grow together in love as one family through the guidance of the Holy Spirit.

Getting Started

We believe parents are the primary educators of their children in all learning, including faith formation. Parents serve as role models of faith in action and we encourage you to bring your children on a weekly basis to celebrate the Liturgy at our Masses on Saturday or Sunday. Our program seeks to supplement and support what the children are learning at home from their parents about the faith.

Our Teachers

The parishioners that have graciously volunteered to teach in our program love children and are eager to instruct and guide them as they learn about our Catholic faith. You can be sure that they will do their best to see that your child will make friends and enjoy learning about Jesus in this environment.
