

Pastoral Council Agenda

November

Committee Reports:

Building and Maintenance:

- Plaster damage in choir loft needs to be repaired, but there may still be a leak. Waiting on contractor to look at it.

Liturgy:

- Sound system needs to be evaluated. Have been getting some noise at times.

Religious Education:

- Jamie Deem wants to form a youth group.

Social:

- The parish picnic was a big success even though it rained. We used the building, but it was a little cool without heat.

Finance:

- See attached financial report.

Old Business:

- Cemetery damage from storm is being cleaned up. Two holes from stumps removed have been filled in and seeded. Will seed again in the spring. Had somebody looking at a tree that is dying in the cemetery and another that is leaning. Have agreed to have the dying one removed. Will keep an eye on the leaning tree.
- A church pew has been removed to provide a spot for someone in a wheelchair. It seems to work well.
- Publishing of birthdays.
- Marie Johnson has replaced John Spencer as a Council member.
- Mass stipends have been coming in slowly. We are still in danger of running out.

New Business:

- Attendance at Mass is down. Last year the October Count was 207. This year it is 167.
- Culture of Life group is putting together a bus trip to the March for Life in January. Would be nice if the parish would sponsor some of the CCD students.
